Additional Backup Information

This action authorizes the City to apply for \$393,697 in grant funding from the U.S. Department of Justice, Bureau of Justice Assistance (BJA), Justice Assistance Grant (JAG). The federal legislation authorizing this grant program includes a provision whereby cities and counties must submit a joint funding application if the state's Attorney General certifies that a funding disparity exists in a county's allocation when compared with that of a single municipality (at least a 150 percent disparity must exist), and the county bears more than 50 percent of prosecution or incarceration costs arising from Uniform Crime Report Part 1 violent crimes reported by the municipality to the FBI. Once certified, jurisdictions then decide if funds will be shared, and if so, how the funding will be allocated. The City of Austin and Travis County will enter into an Interlocal Agreement so the City can serve as the fiscal agent responsible for distributing the grant funds. The City of Austin will use its grant funds to purchase equipment and supplies for sworn personnel.
